SKILLS

- **Frontend Development:** HTML, CSS, Java Script, React-JS
- **Skills:** User research, Wireframing, Prototyping, Interaction Design
- **Tools/Platforms:** Figma, Adobe Illustrator
- **Soft Skills:** Problem-Solving Skills, Team Player, Project Management, Adaptability

INTERNSHIP

- **Valsco Technology** Since Feb 2025
Intern
 - **About:** Led the complete redesign of Valsco Technology's website using Figma, focusing on improving user experience and modernizing the UI. Designed a lawyer app (Jurident) and website using Figma, connecting clients with legal professionals efficiently.
 - **Tools used:** Figma
- **Jime Developers** Jan 2025 - Feb 2025
Intern
 - **Project Overview:** Designed a high-converting landing page using Figma, focused on promoting robotics solutions tailored for telecom applications. Integrated industry-relevant visuals and interactive elements to clearly communicate complex robotics solutions.
 - **Tools used:** Figma

PROJECTS

- **Flat-Finder – Room Rentals Website** Dec 2024 – Feb 2025
 - Designed and developed using React.js with advanced search filters, map integration, and direct landlord tenant chat for room discovery based on location, budget, and preferences.
 - Focused on verified listings and user reviews to enhance trust and decision-making.
 - **Tech:** React-JS, HTML, CSS, JavaScript, Figma
- **Turn Time – Doctor Appointment App** July 2024 – Sep 2024
 - Designed a Hospital App that enables patients to register remotely, book appointments, pay consultation fees online, and receive real-time notifications, reducing waiting times and enhancing patient experience.
 - Actively tracking metrics such as patient waiting times, appointment bookings, and satisfaction rates to assess the app's impact on hospital efficiency and patient experience.
 - **Tech:** Figma
- **Easy Exit – A self-Checkout App** Feb 2024 – May 2024
 - Designed a Self-Checkout app with a user-friendly UI/UX, allowing users to scan products, pay digitally, and exit seamlessly without waiting in lines.
 - Integrated barcode/QR code scanning with real-time data access through Firebase, providing tailored interfaces for both store owners and shoppers to enhance functionality and ease of use.
 - **Tech:** Figma

CERTIFICATES

- Google UX Design Professional Certificate by Coursera. Jan 2024
- Libraries and Frameworks for Frontend Development by Coursera. Apr 2025
